# Building the Kingdom of God

---

**Chorus:** We are building the Kingdom of God  
Laying foundations for a spiritual world  
Holding fast to the covenant of the Almighty One  
We are striving day by day  
Gonna' let nothing stand in our way  
We are building the Kingdom and nothing can stop us now

**Verse:** We are joining hand in hand  
All across this mighty land  
United in spirit and bringing a balm to a sin sick world  
We may have to struggle and we may have to cry  
But we are assisted by the concourse on high  
**All:** We are building the Kingdom and nothing can stop us now

**Chorus:** We are building the Kingdom of God  
Laying foundations for a spiritual world  
Holding fast to the covenant of the Almighty One  
We are striving day by day  
Gonna' let nothing stand in our way  
We are building the Kingdom and nothing can stop us now

**Verse:** We are joining hand in hand  
All across this mighty land  
United in spirit and bringing a balm to a sin sick world  
We may have to struggle and we may have to cry  
But we are assisted by the concourse on high  
**All:** We are building the Kingdom and nothing can stop us now

**Chorus:** We are building the Kingdom of God  
Laying foundations for a spiritual world  
Holding fast to the covenant of the Almighty One  
We are striving day by day  
Gonna' let nothing stand in our way

**Vamp:** We are building the Kingdom  
We are building the Kingdom and nothing can stop us now
